To the Public.

WHEREAS, certain malicious reports have been set affoat in this community calculated to injure me, both in my reputation and business, the most malicious and unfounded of which reports is, " that I am lawfully married to a wife, who is now living on the Coast of California;" in order, therefore, to put a stop to these reports and satisfy the public of their falsity, I now solemnly aver and declare, under oath, that I have never been lawfully married to any woman, and that the woman now in California, reputed to be my wife, does not sustain such relation to me.
